Schaumbalsam

FRESH COOL FIZZ

Foam balm for tired and stressed feet.

resh Cool Fizz Foam Balm is a cooling freshness foam with menthol for tired, stressed feet and legs. Ideal as a cooling, de-puffing refreshment on warm days, after long periods of standing, or for tired legs from physical activities.

- for tired feet and legs
- refreshes and cools for a long time
- nourishes stressed skin with 5% urea
- quickly absorbed and non-greasy

FRESHUP-Complex

This active substance combination of chamomile oil, combined with bisabolol, panthenol and grape seed oil, cares for and protects stressed foot skin.

Usage

Shake well before use. Before the first application, gently press the small separating tab at the top to release it. Massage an about cherry-size amount evenly and gently into the cleaned skin daily.
